Ashutosh Chaudhary

House no 337, Himgiri apartment, Sector 34,Noida Uttar Pradesh 201307

Email: aryan.will@gmail.com

Dear Sir/Madam,

I am submitting herewith my resume for your perusal and favorable consideration for the post of **Devops/Linux Engineer** in your organization.

B.Tech (RHCSA, RHCE) with in-depth technical knowledge and hands-on exposure in System management & troubleshooting. Knowledge of container orchestration and automation tools like jenkins and ansible.

I am highly motivated; goal oriented and can work with ease, confidence and efficiency, both as an individual as well as a part of a team. I also have a very systematic approach and can adapt myself quickly to new technologies and am interested in being a part of a progressive and growth oriented working environment in the IT field.

The enclosed resume elaborates on the details of my skills and experience.

I'd appreciate the chance to meet with you in person to discuss how I could be a vital part of your organization.

Thank you in advance.

Yours sincerely,

Ashutosh Chaudhary
